

Columbia Canary Club

Avian Flyer Newsletter

March, 2025

March 2025 President's Message

If you are a canary breeder, like I am, your bird room is getting full of young canaries. I find it to be an exciting time of year, always hoping that the little chick that just hatched will be a show winner in the fall. There is always hope this time of year. I wish you a very good breeding season with your birds.

Thank you to everyone who came out to our February 8 bird sale. We had a very good day. I wish we had more bird buyers, but I always enjoy getting together with our club members. It was a great time to see birds and talk with one another. Remember that our next bird sale will be on May 31 at the Clackamas Community Club (same location).

I want to take a moment to thank the club officers for the hours of work they each put in on our behalf. I am always grateful for the faithful work and commitment of so many people to keep our club active and vital. We could not provide the services we provide to one another, if it were not for the dedication of our club officers. You should find a list of who fills what roles in another location in this newsletter. Thank you to each of them! (By the way, we are still in need of an Assistant Treasurer and a Canary Leg Band Secretary. If you are able to help, please let me know.)

There will be no club meeting in March. Our next regular meeting will be on Saturday, April 12 at the Clackamas Community Club. I hope you can join us in person or via zoom.

Thanks, Dan Pitney

2025 Columbia Canary Club Officers

President – Dan Pitney

\$13,016.39

Calling all Members:

I'd like to feature one members aviary in each newsletter. I'd like to add pictures, and interview you. I feel like it would help those of us who aren't as familiar with everyone get to know the members. If you are interested in having your aviary\bird operation featured, please email me, or call.
